All persons wishing to be approved drivers will need to be approved **every 12 months**.

Please return this form, along with a copy of your driver's license and current proof of insurance, to the office at least **2 weeks** prior to needing to be approved.

You will receive a link via email from Checkr to fill out your pertinent information. Checkr will notify the office if there are any issues with your record.

You will be notified only if you are **NOT** approved to be a driver.

If you have had a moving violation in the last year, you are not an eligible driver and do not need to complete this form.

Also, following the approval process if you receive a moving violation, you will no longer be an eligible driver and will need to notify the SCS office immediately.

Thank you!
